Monte family, Im so sorry for your losses over the past couple of years. They were both amazing parents and Im so grateful to have gotten to know them and all of you, especially Nicole who I went to school with. He was such a great dad, that even with child number four, he still found time/energy to coach and come to our CYO games. Wishing you all comfort and peace during this difficult time

The first people we met when we moved to Oregon City were Nick. and Patti. Our girls weren't even in school, but our sons were. Nicole wasn't even born. Amazing family. Rich and Nick coached together many years together. The 2 coaches even got their team to the Portland City Tournament where they placed 2nd in the city and got to play at half time during the Portland Trailblazer Game. As our oldest daughters went onto LaSalle together, we worked with Nick and Patti on many fundraisers. Kept the friendship all those years. Truly will be missed.

The first person we met when we moved to OCity was Nick and Patti back in 1984. Our girls weren't in school yet, but our son's we're in St. John's. Nick and Rich coached together for many, many years. Nicks love for his family was 1st, next to God. He raised his kids in his faith, which shows. Truly will be missed. Hugs and peace for your family.
