May the memories of Mary and the love that exists, surround your family and provide you strength. Although many years ago, I recall the kindness and profound friendship Mary had with my mother. Their devotion and faith were unparalleled. Mary left a lasting impression on me. She was a good, kind, and decent person who adored God. She will be greatly missed.

Mary was one of my customers when I worked at the bank in Mitchell, Nebraska. She was always kind and loved me as one of her own. She and Barr are reunited now and what a beautiful reunion to be had. Even though I have not been in contact with Mary for many years, I have thought of her often. Please know all of you are in my thoughts and prayers. God bless you all. Kim Wright Mitchell, NE

I'm another of Mary's "daughters"- she never failed to greet me with a hug and to hug me so tight when we parted, and I could never call her Mary, only Mom and Gramma. Mom always (always!) asked about my family, and headed up the Escamilla Family Prayer Brigade to pray my nephew Christopher right out of the hospital when he was an infant, and he's now a healthy 21-yr-old at college in Lincoln. With her godly nature, I'm pretty sure her prayers didn't have far to travel. When she called me "mija" I know she meant it. My heart is hurting, and my heart is also so grateful to have been her mija.

I remember Mary as one of my sisters she treated me as one of her younger brother's. Also who can forget her tasteful enchiladas, when we as a family travel to Scottsbluff to visit, Mary invited us to eat her delicious meal with enchiladas I'll miss her joyfulness and gregarious attitude. But I have the assurance, by God's grace, the one day I'll see her in the resurrection morning!
