We knew Dave for many, many years, in the automotive business world, by using his alignment services for our customer's vehicles. Dave was an easy person to work with, and he would do his best to try to accommodate us. Praying that each of you be given the daily strength and courage you need.Warmly,Carlos and Nancy Zuniga(Dan's Auto Service)

Dave after meeting you in 1982 while you were working for Dick and Tiny at their Big O Tire Store here in OC I didn't know at that time we would remain friends for 33yrs. Riding in the sand on our atv's and drinking a lot of beer. Going to NASCAR races and drinking a lot of beer. Talking to you in the mornings after I opened your shop. Seeing and more talking in the late afternoon. All this and more will be greatly missed.

My heart is heavy. I have known BIG O Dave for 30 years he was a part of my family's family. He is one of the good old boys could fix anything and if he couldn't he would let you know were you could go to get it done. That man is truly a icon in this town and always be missed. I will shed a tear every time I go by 1022 molalla ave. It will always be DAVE'S TIRE SHOP. Rest in peace my friend and thank you for all you have done for me and my family.

Dave was a one of a kind, no nonsense friend. He loved to egg people on and laugh with a twinkle in his eyes. His "family" between work and home was at Mazatlan. I, along with Chuck, will miss his stories and wealth of knowledge about so many diverse subjects. Oregon City has lost one of the hardest working and honest men around. We have lost a true friend. Our deepest condolences to his family, Annie Howden & Chuck Nance
