Kathy always made the best treats for team road trips for the Oregon City Swim Team. Lots of home made rice crispy treats and jello snacks helped fuel the swimmers during our away swim meets. Kathy had a warm heart and a very welcome home making sure everyone was comfortable and well fed at the Fuller dinner table.

Denny and I were so sorry to hear about Kathy's passing away. We send our love and condolences to the family. She was a longtime friend through St. John's as well as the Oregon City Swim Team. Later she became possibly the first employee of Edelen Custom Doors and Windows and stayed with us for over 20 years. She was a very dedicated and loyal employee as well as a great friend.
