Jerry,I was fortunate to get to know you these past few years at the Blazers games. A true loyal fan and dedicated season ticket holder, I know you valued and enjoyed the games. Especially the victories that had to be caused by the lucky beer you bought when you sensed they needed a little help to win the close ones. Thanks to you, last year the Blazers may have set a record for close wins. Your section at the Moda Center will sadly miss you. I especially will miss checking to see if you have the lucky beer ready and then enjoying the finish of the game with you. We saw a lot of wins together and I sense you have been a winner all along. Jerry,You were an integral part of our Scout Troop. A team player who we enjoyed sharing a campsite with. Our fond memories abound; from such fun on the big Island of Hawaii and Camp Parsons in Washington. We salute your service, to your town, the Scout Trooo and America. You will be missed.
