Janiece and I attended Willamette Grade School and West Linn High together. It was a surprise to read she taught 3 & 4th grade in Canby. I also taught 3 & 4th grade at Sunset Primary in West Linn. I don't remember Rosemont Nursery, but I also share with her a love for all things found in the garden. As a child, I used to ride our horse, Honey, to Janiece's house on Grapevine Rd. We would ride and play in the woods around their property. Wasn't the Willamette Meteorite found somewhere in this area? It is heartwarming to read that Janiece helped clean up the Tualatin River and also was involved with Clackamas County Dog Services. She is going to be missed! Kathy Sandell (Vellenga)
