Uncle John, I can't believe that I just found out today that you have been gone for nearly a year???? I find it hard that none of your biological family was informed? It would have been nice to have been able to be at your service and say our goodbyes! but, I know that you are up in Heaven looking down and smiling at being able to see all of the new additions to our family. I will never forget you! Love Shelly, your eldest niece
