STERLING "SKIP" JARDEN

Sterling Jarden was born February 12, 1956, in Baumholder, Germany and passed away on August 23, 2022. He was born to Alfred and Dolores Jarden and is survived by his loving wife Sharon Jarden, his two children Zachary and Hannah Jarden (of his first marriage to Jeanne Jarden), Jim (brother) and Debra Jarden, Randy, and Holly (sister) Phillips.

Sterling graduated from McKinley High School in 1974 in Oahu, Hawaii, and later Chaminade University in 1979. Sterling was a private country club general manager for several clubs and won Country Club Manager of the year for his many clever ideas in hospitality and leadership.

Sterling met Sharon in 2009 and eventually moved to Lake Oswego, Oregon where the two married in September of 2017 and continued to enjoy retirement and travelled extensively.

Sterling had an amazing soul and an ability to make people laugh with his many (possibly embellished) adventurous and mischievous stories. He was a classy man with a tremendous intellect and expansive knowledge of current events and was fascinated by science and learning every day. He will be sincerely missed by all who were fortunate enough to know him and spend time with him.

I miss Sterling for so many reasons. Our shared history included moments and days of deep discussion and plenty of shallow ones as well. From pitched battles over politics and agreement over values and principles we covered it all. We spent countless times over 40 years enjoying each other's company, the company of our families and doing some of the things we loved together. But if I miss anything the most, its laughing together, endlessly entertaining ourselves and each other... and sharing that sort of joy. He never stopped letting me know how much he cared about me and those we love, that was a constant. So my friend, I will miss you and will cherish the memories that I have, some shared with the those around us, so many now reside just with me. Love you mate.Jay

Writing this note with a heavy heart...You've always have been a brother to me with inspiring advice and knowledge. Catching your smile in a photo was always challenging however when captured it was glowing with sincere CHARM. Was an HONOR to be with you and your family on your 60th birthday and the many Thanksgivings we enjoyed. You and Sharon are ALWAYS in our family...Will miss you eternally! Love you forever bro, Your Sis & Paul

So many memories of fun times, new adventures, great discussions and Sterling's kind smile and mischievous eyes glinting before saying something funny. I learned something new from you everytime we talked. We will miss you so much and hold the memories and love close to our hearts. We love you S-Pa.
