In Loving Memory of Francis "Vickie" Maxwell

July 15, 1939 - December 10, 2023

Francis "Vickie" Maxwell, was a loving mother, devoted grandmother, and faithful friend, peacefully passed away on December 10, 2023, in Portland, Oregon. Born on July 15, 1939, in Klamath Falls, Oregon, she leaves behind a legacy of love, warmth, and cherished memories.

Francis is survived by her two sons, Michael Maxwell and K.J. Maxwell, and her daughter, C. Ann (Jeff) Carl. She was a loving grandmother to seven grandchildren: Ashley (Steve) Tong, Samantha (Caleb) Sonflieth, Hazel and Hamilton Maxwell, Matthew, Crystal, and Jennifer Maxwell. Her love extended to four great-grandchildren, who brought immense joy to her life.

Francis was preceded in death by her parents, Marie and Christian Kosel, her brothers Larry Kosel and Erv Kosel; and her sisters Joan (Lee) Phipps and Carol (Walter) Payne.

A devout Catholic, Francis found solace and community through her faith. She was an active member of St. Paul's Parish in Yakima, Washington, and continued her spiritual journey as a member of St. Anthony's in Portland, Oregon, after relocating in 2021.

Her faith, and her unwavering commitment to her loved ones have left an indelible mark on the hearts of all who were fortunate enough to know her. She was loved by all.

In this time of sorrow, let us celebrate the remarkable life of Francis "Vickie" Maxwell and remember the love, laughter, and warmth she brought into the lives of those around her. May her soul rest in eternal peace, and may her memory be a source of comfort and inspiration to us all.

Michael Maxwell posted:

Vickie (Kosel) Maxwell , I have heard her refer to herself as Fran, Francis, never Victoria but when I was young everyone referred to her as Vickie and so did she. I always made a connection between her and Vickie Lee Phipps, my cousin and her niece.To me she has always been MomThe Chosen Baby is the book she got for us. Mom told me from early on that I was adopted, and my sister, Cann, also. I remember vividly, thinking that no other family could possibly be as happy as ours when I was about eight years old.Through thick and thin Mom maintained that even after becoming a single Mom of three children. My younger brother, KJ, was added to our family when I was seven. He is Mom's miracle.There is no way to hope for a better scenario to be blessed with a Mom that loves and sacrifices anything and everything for her children.Her family are living proof of her character and commitmentMom is cherished, and missedThank you, Francis Victoria (Kosel) Maxwell, for choosing me to be your son, Michael Kent Maxwell
