Kevin Mark Horace

JUL 15, 1955 - OCT 11, 2025

Kevin Horace
July 15, 1955 – October 11, 2025

Kevin Horace entered eternal rest on October 11, 2025, at home in Beaver Creek, Oregon, surrounded by his loving family. Born in 1955, in Spokane, Washington, to Raymond and Billie Gene Horace, Kevin lived a life rooted in faith, simplicity, and devotion to those he loved most.

He shared 40 years of marriage with his wife, Ann, and together they built a life centered on quiet faith and steady strength. A humble man at heart, Kevin found peace in simple things — the mountains, the trees, the rivers. He loved hunting, time spent with family, and the satisfaction of an honest day's work and a day well spent.

He taught us that a good life isn't measured in possessions or praise, but in faith, humility, and love. May we carry his example forward — to live simply, love deeply, and trust God's plan, just as he did.

He is remembered by his wife, Ann; their children and spouses, Stephanie and Dustin Laur, Becky Jean and Steve Mesmer, and Peter and April Horace; and his beloved grandchildren, Sebastian, Nico, and Vivian Grace. He is also survived by his sisters, Cotty Levak and Janet Ell, his brother, John Horace and a large extended family and dear friends who will carry his memory with love.

He was welcomed into eternal life by his parents, his sisters, Jeanne Ann and Carol Ann, and all beloved family members who went before him.

A Rosary will be prayed at 10:30am, followed by a Funeral Mass at 11:00am on Monday, November 10, 2025, at St. Philip Benizi Catholic Church in Redland, Oregon. A reception will follow in the parish hall.

Steve Jordan posted:

Way too many memories just to pick one. Me and Kevin have been friends since the day He transferred to clackmas high school. Even though that seems forever ago, we never lost touch with each other, not one year. I eventually moved east into central oregon, but kevin stayed right where his roots have always been and has always loved, the Northwest. Even then we never lost touch. We literally put hundreds of miles through the mountains, high above esticada oregon, and clear over to detroit lake year after year hunting. Nobody knew the mountains better than kevin, and nobody will ever take that away from him. He is going to be so missed by me, And everyone that has known hlm.. I will miss you my friend. But will meet another day.

I was very sad to hear about Kevin's passing from my son Mike who worked with Kevin at Oregon City, I met my friend Kevin several years earlier when he worked at Sunrise Water at that time I worked for the City of Happy Valley he and I talked and reminisced about various professional wrestlers with their famous moves and holds. We always had good friend conversations and unfortunately I will be elk hunting and will miss his memorial service but will think of him and always miss him while I'll be in the woods on his day "RIP Kevin go on with the people's elbow and smell what the Rock's cooking". Thanks for my memories with you .your friend Dennis Schroeder

Kevin was probably the nicest person I have ever met and I don't think he had a mean bone in his body. He was an absolute joy to work with and will be missed by many.

I always liked this picture of Kevin "directing". This was in a published wall calendar years ago, this has been hanging in my office since 2014.
